About me

Communications and Marketing professional with experience in corporate branding, B2B sales, customer service, and the marketing of products and services. Throughout my career, I have developed my own business ventures and contributed to the planning, execution, and evaluation of marketing campaigns, business strategies, and corporate projects. I see change as an opportunity to learn, improve, and deliver results while building strong relationships. Known for creativity, empathy, and strong interpersonal skills, with a consistent track record of responsibility, collaboration, and results-driven performance. Trilingual in English, French, and Spanish.

Tools & Technologies

- Paid Media: Google Ads, Meta Ads Manager.
- Analytics: Google Analytics, NPS, CRM.
- Website: WordPress, Hostinger, WPForms, Wix.
- Content: Canva, CapCut, Gamma. Instagram, Facebook, YouTube, Tiktok, LinkedIn.
- Productivity: Microsoft 365, SAP, SharePoint, ChatGPT

Marketing Experience

Analyzed target audiences, identified market opportunities, evaluated product portfolios, and developed product, service, and communication strategies aligned with business objectives. Managed digital marketing budgets, campaign optimization, bid adjustments, A/B testing, audience segmentation, KPI monitoring, community management, website optimization recommendations, and content creation.

Freelance Experience & Entrepreneurship
